

aktuell

NC-Compact vice **RKE 125 LV**

Collision free 5-side machining
in one operation

Now a further variation:
Carrier jaws with swivelling claw
inserts for clamping of circular
and rectangular workpieces
Id.-Nr. 165851

Base plate
to elevate the RKE 125 LV
Id.-Nr. 165852

Clamping range:
Rightangular workpieces: 35 - 215 mm
Circular workpieces: diameter 65 - 225 mm

Technical datas:
Total height incl.
Compact vice and
base plate 190 mm

Height of NC-Compact vice
100 mm
Height of base plate 90 mm
Jaw width 125 mm
Total length 372 mm
Clamping forces up to 40 kN
